Subject: Andreas, Outdoor Digital Menu Boards For McDonalds & Starbucks

Plus: Dust-Proofing Printer For Industrial Use

THE ENCLOSURE SPECIALISTS

McDonald's And Starbucks Choose Outdoor Digital Menu Boards From Armagard

McDonald's and Starbucks have chosen Armagard's outdoor digital menu boards for their drive thru lanes. Both chains wanted to boost sales, speed up service and make menu changeovers easier for staff. Armagard provided robust digital signage that looks great and works reliably in any weather. Find out why these leading QSR chains chose Armagard.

How to Dust Proof Your Printer for Industrial Use

Industrial workplace environments can stop printers working properly. The problem is most likely dust build-up, which clogs the printer heads, causing your printer to jam. The solution is to dust proof your printer with a robust, industrial printer enclosure, that will increase the lifespan of your printers when used in an industrial environment.
